Thoughts & Prayers

Our thoughts and prayers are with the people of the city of **Dauphin** and surrounding communities especially those grieving the loss of family or friends in the tragic traffic accident on Thursday, June 15th, 2023 that killed sixteen people and injured ten others. We pray for those still in the hospital and those who are caring for and supporting them and their families. We pray for first responders from Carberry and surrounding communities who reached out with help on that most horrible day and those who are making themselves available to meet their needs for support and care. We pray for therapists and spiritual care providers especially Ilene Dowd, Minister at First United Church, Dauphin, and others in communities throughout Manitoba tending to the needs of those impacted by this tragedy. May God be with us all.

What could be better on a warm summer day than
ICE CREAM.

We have decided to bring back SUNDAY SUNDAES for
the **month of July.**

Donations welcomed.

All proceeds raised will go to the Cool Project. Help
Social Justice support this valuable project.

DONATIONS TO HABITAT FOR HUMANITY

Our caretaker Manny and his family will be getting a Habitat home later this year. We are thrilled for them. People are asking about donating.

If you want to donate to Habitat for Humanity (the organization), make your cheque out to Prairie Spirit United Church and write "Habitat for Humanity" on your memo line.

We will make sure your donation goes to Habitat for Humanity.

Donations made to Habitat for Humanity are eligible for a tax receipt.

If you want to donate specifically to Manny's family's home, make the cheque out to Prairie Spirit United Church and write "Manny's House" on the memo line. Money donated will be used by Manny's family for the extras needed when moving to a new, larger home.

Donations made to Manny's Family will NOT be eligible for a tax receipt.

If you want to volunteer, contact Dennis Bitton.

Social Justice and Congregational Life will be preparing a lunch for volunteers in September. More info will be coming.

Stories of Our Mission

Your Gifts Help to Restore Lost Languages

Today, fewer than 600 people can still speak Inuinnaqtun fluently. Many lost the language when they were removed from their communities and sent to residential schools. In partnership with Mission & Service, Inuinnaqtun language mentors get resources to allow them to spend 300 hours a year working with their apprentices to begin to restore their language.
