Help us help Habitat for Humanity build homes for Manitobans

We know how much you all like staying for Coffee and a cookie after Church before you hurry off home for lunch. We are asking for help making, serving and cleaning up afterwards. Please think about offering you help the odd Sunday. Someone from our team would be willing to "show you the ropes".

We are always also looking for cookie, loaf, slices bakers or buyers to help supplement our efforts. Please date your goodies and leave in the Sunrise freezer or the narthex kitchen on Sundays.

Do you want to shape the future of Prairie Spirit United Church? Opportunity knocks if that is the case. A search team will be constituted in the near future in the interest of hiring a minister for PSUC. If this is an area of interest for you, particularly if you have some HR experience, please contact Val Goodridge, Chairperson of the Oversight Council at valgoodridge@shaw.ca. As well, if you have the name of someone to suggest, feel free to convey that idea as well. Once all names are received, a process will be undertaken to determine a Team which represents our community of faith.

Winter has arrived!

This year we are collecting clean, gently used coats for all ages. Please hang them on the rack in the Narthex and we will sort and deliver them to the Oak Table as they come in.

Bring in hats and mitts and place on The Mitten Tree in the Narthex.
Thank you.

Kindergarten in a Refugee Camp

Living in a refugee camp means children may not learn crucial cognitive and social skills. In Lebanon, the Joint Christian Committee for Social Service provides a [kindergarten program](#) where children can engage in learning in a happy and secure place.
