Social Justice and Outreach Team

The Worship & Faith Formation Team is seeking additional members!! If you have ever wondered how a service is planned, organized and the focus developed this is for you!

We meet once a month and do our planning ahead of each season so there is lots of opportunity to provide input and direction.

The tasks required to achieve our plan are shared among the members who work together to make it happen.

We would love to have you join us and you will be provided with an orientation and a partner as you learn all about us, our responsibilities and our processes.

If interested, please approach any one of us - Judy Restall, Darlene McPherson or Pat Rothney or leave your name at the office with Sherri who will share it with us.

Stories of Our Mission

Empowering Women of the Past, Present, and Future

In India, women's access to theological education has historically been limited in comparison to men. When [Rev. B. Silpa Rani](#) started her first degree, she spent two years as the only woman in a class of 16. Now she is actively encouraging women to pursue theological education and engage in leadership roles.
